

2026-2027 Sportscraft DJHL U15AA Tryouts

Welcome to the 2026-2027 U15AA tryouts for the Sportscraft Don Johnson Hockey League. Your child has been assigned to a Team and a Group for Phase One. The teams are used to divide players for the purposes of scheduling the games on the weekend (September 12 and 13) as well as for the fitness and skill testing on those days. The groups are for dividing goalies into technical sessions, and players into defence and forward groups for their technical skates.

Goalies will be assigned to games/fitness groups after the technical sessions are completed on Friday and the pool of goalies has been reduced to 18.

The schedule is posted below. A list of names and their assigned groups and teams follows. For questions about the schedule, or if your child's name does not appear on the list below, please email

djhl.director@gmail.com.

Notes about the tryouts:

- All games and sessions take place at Capital Mitsubishi Arena (Twin Rinks)
- All games and small area games include body checking.
- Your child's jersey **must** be picked up before the tryouts begin. Jerseys can be picked up at DF Barnes Arena during the following times:
 - o Thursday, September 3; 5:30 pm – 10:00 pm
 - o Friday, September 4; 5:00 pm – 9:00 pm
 - o If you cannot make any of these times, please email djhl.director@gmail.com
 - o Jerseys are to be returned to DJHL staff on Sunday, September 13.
- The warm rooms (both sides) will be closed during all sessions at games – there are several other tryouts occurring at the same time (e.g., AAA, female AAA, high school, WJAL), so dress warmly
- The DJHL has a policy not to provide copies of evaluations. Our evaluators are highly qualified and have multiple years of experience coaching at the AAA level in Newfoundland and other provinces. We trust the decisions that they make during the process.
- If your child is injured, or cannot make a session, you must email djhl.director@gmail.com
- The fitness testing is challenging. The testing is being conducted by the ASSERT group. Similar testing is conducted by Hockey NL at the High Performance Program operated in the summer. We hope to be able to distribute the results of these once tryouts have ended.

Results from Phase One will be posted on the website (www.djhl.ca) by 10:00 pm on Sunday, September 13. Phase Two will begin on September 14.
